Dear Professor,

The American Society of Cinematographers is pleased to invite you to recommend eligible students for consideration in the 2010 ASC Richard Moore Heritage Award competition. This honor is designed to inspire the next generation of cinematographers and to help them pursue their dreams. It also celebrates the memory of the film industry's most extraordinary individuals.

Eligible students must be in undergraduate or graduate school or have graduated within the past year (please see enclosed Rules of Entry for further details). A jury of ASC members will choose the winners. The Awards will be presented to the recipients at the 24th Annual ASC Outstanding Achievement Awards celebration on February 27, 2010 at the Hyatt Century Plaza Hotel in Los Angeles.

This year's Heritage Award is dedicated to the memory of an distinguished member of the ASC family. Richard Moore, ASC marched to the beat of a different drum by following parallel career paths. He made a profound impact on the craft of filmmaking as the co-founder of Panavision, and then he created a unique body of work as cinematographer on project such as *Winning* (1969), *The Reivers* (1969), *Myra Breckinridge* (1970), *WUSA* (1970), *Sometimes a Great Notion* (1971), *The Life and Times of Judge Roy Bean* (1972), and *Annie* (1982).

Enclosed are a set of rules and instructions by which to recommend your best cinematography students. The deadline for entries is noon, November 3, 2009. If you have any questions, please contact Patty Armacost at 323-969-4333 ext. 103.

Sincerely,

Isidore Mankofsky, ASC
ASC Student Awards Committee Chairman
